ABOUT RACHYREVIEWS

Rachelle established the beauty, fashion and lifestyle blog 'Rachyreviews' at the beginning of 2017 following her successful social media platforms (Instagram, Twitter & Facebook) where she posted the most of her reviews and overall content. Since then her audience has grown significantly and in order for her to continue doing what she LOVES, she has decided to branch out and further document her latest findings, opinions and reviews in the form of a blog in order to cater to her audience as this allows her to be creative with her writing but also more informative.
